## Scout Master Minute

Summer is here! The weather has warmed, we're in the last half days of school, and that can only mean one thing: summer camp is coming! For the first year Scouts and their parents; get ready for an amazing, exciting, and fun filled week. For the veteran Scouts, you already know how much fun summer camp is!

First year Scouts attending summer camp go through a set of merit badges and activities that are all part of the Dan Beard program. The first year boys will be together throughout the day, going from one station to the next where they will complete at least two merit badges (and probably a couple more). The boys are busy throughout the day, yet they will still have time to relax. There's a Magic Tournament, water carnival, volleyball tournament, siesta time after lunch, time for swimming before breakfast each day (the boys can become members of the Polar Bear club...yes, there IS a patch available for those that get up early and swim every day!), mountain board riding, and additional activities in the evening.

The Troop gets together for all meal times. Full Field uniform (Class A) is required at meals. If you are missing any uniform elements (socks, neckerchief slides, etc.), please get those pieces from the Scout shop ASAP. Speaking of meals, the food at OSR is very, very good. There are always at least two main course options provided at each meal. In addition, there is an extensive salad bar as well as bread and peanut butter and jelly. The boys all work together to help serve and help clean up after meals. After mealtime but before dismissal from the dining hall, there are always P. E. R.s (program enhancement reminders) and songs sung by the camp staff. The staff at camp does a great job of getting the whole dining hall involved in the show. Get your singing voice ready!

If you have any questions about summer camp, please ask.

YIS,

Dr. Anderson

## Troopmaster Web Demo \*\*Rescheduled\*\*

Please join us at the **Committee Meeting on Wednesday, 7/9** for a demonstration on the new Troopmaster Web Application. This new application will tie into our existing Troopmaster (the database we use to keep track of everything!) and allow access from the web. Parents and scouts will be able to view their own records and keep track of attendance, merit badges, rank advancement, etc.

The troop will be purchasing this new software once everyone gives their thumbs up in approval.

## June Outing – Gettysburg 6/6-6/8

Four score and seven weeks ago (actually, more like 3 weeks ago) Troop 615 travelled to Gettysburg, PA. We were fortunate to win a lottery position to camp out on the National Park grounds at McMillan Woods. The camp site sits on an actual part of the Civil War battlefield. The campground also served as a Civilian Conservation Corps campground as well as a WWII POW camp. The battlefield tour on Saturday was led by Tommy DeWeese, our own Gettysburg expert and prior Troop 615 Scout Master. The troop visited many noted areas of the battlefield including McPherson Ridge (site of the first shot), Pickett's Charge and Little Round Top which overlooked the Slaughter Pen and the Devil's Den. We also learned about many noted Civil War commanders like Union Colonel Joshua Chamberlain and Confederate General James Longstreet. The troop also enjoyed a nice tour of the Gettysburg National Military Park Museum and Visitor Center. In addition to viewing many artifacts from the battle, they also watched the film "**A New Birth of Freedom**" and the fully restored Gettysburg Cyclorama that dramatically depicts "Pickett's Charge". We also had the chance to watch a gun crew demonstrate the field firing of cannon.....loud noise and all.

Back at the camp site the adults were treated to another culinary feast, compliments of Dr. Albuerne, Mr. Pierre and Mr. DeWeese. Four flags were officially retired that weekend and the scouts got to play a game of *Mafia* with the person who brought that game into our troop, Mr. DeWeese. Breaking with our camping tradition, not a drop of rain fell on us that weekend. The weather was sunny and perfect for a nice outdoor outing! Thank you Mr. DeWeese for leading us on such a great weekend in Gettysburg!

## Help Wanted

**Hospitality Coordinator** – Have a flair for parties? Check out this position! Mrs. Luther will be stepping down as our Troop 615 Hospitality Coordinator. Thank you Mrs. Luther for all you have done!

**Fruit Sale Coordinator** – Want to help Scouts to raise money for their Scout Accounts? Please check this job out! Mr. Matthews will be stepping down as Mr. Cho's partner in crime for fruit sales. Mr. Cho needs someone to help him with the fruit sales November – January. The main duties for this job would be to send communications/fliers out to our existing customer base, put announcements in the Church of the Resurrection's bulletin, and arrange for delivery and to help out at the 3 fruit deliveries. Please speak to Mr. Cho if you are interested in this position. Thank you Mr. Matthew!

**Web Master** – Are you a techy type person? If so, put your skills to use in this job! Dr. Anderson has been acting as our Troop 615 webmaster. We need to find a volunteer to take this over for him. Duties would include keeping our website up to date and also working with scouts that hold the "webmaster" leadership position so they can contribute to our site as well. Please speak to Dr. Anderson if you are interested.

**Assistant Scout Masters** – Love to camp? Here is the job for you! Every year our troop needs to add a few more Assistant Scout Masters to our ranks. The duties would include assisting at weekly meetings, attending monthly leadership meetings and going on monthly outings with the troop. ASMs work very closely with the Scouts and help them to advance in Scouting. Please speak to Dr. Anderson if you are interested.

**Our troop is run 100% by volunteers. We ask that every family volunteer in some way to help the Troop.**
